**Help Save Our Bell Tower**

As discussed at the annual general meeting on May 23, current fundraising and Sunday collections barely cover day-to-day operation of the parish. No funds are available to perform major repair and maintenance work on the church building. The most pressing work, fixing a water penetration problem and replacing up to 3000 bricks on the bell tower, has been estimated at $60,000. An ambitious fundraising initiative is required to pay for this and other repairs that will be required over the next few years. To this end, we are asking for your assistance to establish a Parish Fundraising Committee to develop and implement a fundraising campaign. To achieve our goal, we will need to go beyond regular parishioners and reach out to the greater Aylmer community, where our church has been a landmark for 60 years. One proposal at the AGM was a campaign where members of the parish and the community at large would be invited to buy one or more of the 3000 bricks to fix the bell tower for an amount per brick to be determined. It is urgent that we get started on this as soon as possible. If you are willing to help, especially if you have previous experience with major fundraising events, please advise any member of the Fabrique (contact info at the back of the bulletin).

**Parish Office – Summer Holidays**

Please note that the Parish Secretary will be on holidays from June 22 to June 30. Regular office hours will commence on July 4. The second week of holidays will be from August 1 to August 4. Regular office hours will commence on August 8. Father John will be in office during this time so in case of an emergency please call the Parish Office and press 5 to be directed to Father John. Thank you for your understanding.

Weekday masses during July & August will generally be on Tuesdays at 10:30 am (at the Monastery across the street), and Wednesdays at 9:00 am in the church.
